From the moment when man first looked at the moon and thought, "I wonder..." to the recent launch of John Glenn, space exploration has represented humankind's power to dream — and make those dreams come real.

In that same way, LEGO toys give your child the power to dream of adventure and make it happen. To think something up and make it real. To imagine and bring that imagination to life.

In fact, imagination is what LEGO is all about. On these pages you'll find over 200 creative building sets that take your child from deep space to the bottom of the sea. With all these possibilities, just imagine what your child can create!

As you browse these pages with your child, be sure to check out our all-new categories:

- Star Wars — Reserve your set today! See page 6-7.
- Jungle — Take off on the latest and greatest trek with the Adventurers! See pages 8-9.
- Throwbots — Collect 'em, build 'em, and battle it out with your buddies! See pages 40-41.

Go ahead, set your child's imagination free. Unleash the world of possibilities. What your child creates just may be out of this world!

We have lift-off!

Now that the space shuttle is safely orbiting the earth, the astronaut aboard the shuttle prepares to release a communications satellite. The flexible Canadian arm helps hold the satellite in place so the astronaut can work on it before the release. Back at the launch pad, workers return the shuttle transporter to storage until the next launch. Launch pad also includes radar dish, tools, video surveillance, fuel stand and lab. Comes with one astronaut and three workers. Requires 2AA batteries to activate lights and sound (not included). Ages 8-12. 478 pieces. #6456 Mission Control \$88.00

A long time ago in a galaxy far, far away...

Good battled evil. A princess fought to
save her people. And heroes took to the skies.

All the action and excitement of Star Wars

comes to life with these new LEGO toys —

the very first in the LEGO Star Wars collection!

A. Fly the X-wing with Luke Skywalker!

Take to the skies with Luke as he battles the forces of evil! Just like the real X-wing fighter, the wings adjust from wide to narrow for maximum maneuverability in battle. Luke is armed with his lightsaber just in case it comes down to hand-to-hand combat. Comes with ground crew person and transport with tools to prepare the X-wing fighter for its next mission. Also includes Luke's droid navigator, R2-D2, and Biggs Darklighter. Ages 7+. 263 pieces. #7140 X-wing Fighter \$33.00

B. Explore Tatooine in the landspeeder.

Race over the sand dunes of Tatooine with Luke Skywalker and Obi-Wan Kenobi in this high speed landspeeder. Three turbine engines give you the speed you need to escape from the Imperial stormtroopers and other dangers. Also includes a lightsaber for Obi-Wan Kenobi. Ages 6+. 47 pieces. #7110 Landspeeder \$6.75

Includes Luke Skywalker
and Obi-Wan Kenobi!

C. It's a battle between good and evil!

Take to the skies with the two most popular ships of the Rebel and Imperial forces. The Y-wing fighter-bomber, armed with two turning ion cannons and forward-mounted laser cannons, is flown by a brave Rebel pilot and droid navigator. Darth Vader, with his lightsaber in hand, is in the control pod of his TIE fighter (which stands for Twin Ion Engine). When they meet in the skies, you decide who wins!

Ages 8+. 407 pieces.

#7150 TIE Fighter and Y-wing \$54.00

D. Delay Imperial troops in the snowspeeder!

On the frozen planet Hoth the Imperial walkers search for the Rebel's hidden base. Join Luke Skywalker and Alliance Pilot Dock in the snowspeeder as they try to delay the attack long enough for the Rebels to escape. The Hoth trooper uses his radar to locate the snowspeeder. But Luke knows no fear — the snowspeeder is armed for battle with two forward laser cannons and a rear facing harpoon gun.

Ages 7+. 212 pieces.

#7130 Snowspeeder \$22.00

E. Race through the forest on speeder bikes!

On the forest moon of Endor, the best way to get around is on these quick and maneuverable speeder bikes. This pair of flying bikes comes with two scout troopers searching for Luke Skywalker — who's ready for battle with his powerful lightsaber!

Ages 7+. 80 pieces.

A. ALL

At a certain stage children learn that they have the power to make things react to their touch. Your young engineer will just love making the train run and stop, go backwards and automatically change direction. The battery powered Cargo Train can go everywhere — it runs on the track and directly on the floor. Plus, unlike ordinary toy trains, your child builds both locomotive and wagons and then can redesign them his or her way. It's a toy that stays fresh, a new adventure each time.

Ages 3-6. 100 pieces.

#2745 Deluxe LEGO DUPLO Battery Cargo Train \$109.00

Features 10 different actions and sounds children can operate themselves!

Power Saving Design.

The battery train will run at least 10 hours on 2 AA batteries (batteries not included). The power saving feature turns the train into action when the train has not been touched by your child for two minutes.

B. Children love tepees.

And totem poles. And ponies... bears... canoes... in fact, little ones can't seem to get enough of the wild west adventures at the tribal village! Half the fun is building, half the fun is playing. It all adds up to many, many, hours of wonder and discovery.

Includes four figures. Ages 2-5. 45 pieces.
